

Index to 1988 volume

Authors and titles

- Aiken, S. R. and Leigh, C. H. Environment and the federal government in Malaysia, 291-314
- Areal association of urban air pollutants and residential characteristics: Louisville and Detroit (Erickson and Billick), 5-23
- Billick, I. H., *see* Erickson, R. J.
- Brown, I. W., *see* Wathern, P.
- Coastal bathing water quality: the application of water quality standards to Welsh beaches (Kay), 117-134
- Computer simulations of fire behaviour in garrigue in southern France (Malanson and Traud), 53-64
- Dune grading along the Oregon coast, USA: a changing environmental policy (Nordstrom), 101-16
- Erickson, R. J. and Billick, I. H. The areal association of urban air pollutants and residential characteristics: Louisville and Detroit, 5-23
- Effects of catchment land use on stream water quality in an acid-susceptible region of West Wales: the implications for compliance with EC drinking water and fishery directives (Kay and Stoner), 191-205
- El Arifi, S. A. Problems in planning extensive agricultural projects: the case of New Halfa, Sudan, 37-52
- Energy for the asking: public participation in resource development in New Zealand (Hoare), 207-228
- Environment and the federal government in Malaysia (Aiken and Leigh), 291-314
- Environmental problems and the political economy of Kenya: an appraisal (Fox), 315-335
- Finlayson, B. L., *see* Haines, A. T.
- Fox, R. C. Environmental problems and the political economy of Kenya: an appraisal, 315-335
- Furuset, O. J. and Johnson, M. S. Neighbourhood attitudes towards a sanitary landfill: a North Carolina study, 135-145
- Global classification of river regimes (Haines *et al.*), 255-272
- Haines, A. T., Finlayson, B. L. and McMahon, T. A. A global classification of river regimes, 255-272
- Hoare, A. G. Energy for the asking: public participation in resource development in New Zealand, 207-228
- Incorporating fluvial change in hydrologic simulations: a case study in coastal North Carolina (Phillips), 25-36
- Johnson, M. S., *see* Furuset, O. J.
- Kay, D. Coastal bathing water quality: the application of water quality standards to Welsh beaches, 117-134
- Kay, D. and Stoner, J. Effects of catchment land use on stream water quality in an acid-susceptible region of West Wales: the implications for compliance with EC drinking water and fishery directives, 191-205
- Le Heron, R. State, economy and crisis in New Zealand in the 1980s: implications for land-based production of a new mode of regulation, 273-290
- Leigh, C. H., *see* Aiken, S. R.
- McMahon, T. A., *see* Haines, A. T.
- Malanson, G. P. and Traud, L. Computer simulations of fire behaviour in garrigue in southern France, 53-64
- Maos, J. A. and Prion, I. Spatial organization of rural services: an operational model for regional development planning, 65-79
- Morrisette, P. M. Stability bias and adjustment to climatic variability: the case of the rising level of the Great Salt Lake, 171-189
- Neighbourhood attitudes towards a sanitary landfill: a North Carolina study (Furuset and Johnson), 135-145
- Nordstrom, K. F. Dune grading along the Oregon coast, USA: a changing environmental policy, 101-16
- Pacione, M. Public participation in neighbourhood change, 229-247
- Phillips, J. D. Incorporating fluvial change in hydrologic simulations: a case study in coastal North Carolina, 25-36
- Potential versus actual erosion in Zimbabwe (Whitlow), 87-100
- Prion, I., *see* Maos, J. A.
- Problems in planning extensive agricultural projects: the case of New Halfa, Sudan (El Arifi), 37-52
- Public participation in neighbourhood change (Pacione), 229-247
- Recent upland land use change and agricultural policy in Clwyd, North Wales (Wathern *et al.*), 147-63

Roberts, D. A., *see* Wathern, P.

Spatial organization of rural services: an operational model for regional development planning (Maos and Prion), 65-79

Stability bias and adjustment to climatic variability: the case of the rising level of the Great Salt Lake (Morrisette), 171-189

State, economy and crisis in New Zealand in the 1980s: implications for land-based production of a new mode of regulation (Le Heron), 273-290

Stoner, J., *see* Kay, D.

Trabaud, L., *see* Malanson, G. P.

Wathern, P., Young, S. N., Brown, I. W. and Roberts, D. A. Recent upland land use change and agricultural policy in Clwyd, North Wales, 147-63

Whitlow, R. Potential versus actual erosion in Zimbabwe, 87-100

Young, S. N., *see* Wathern, P.
